Area Church Women Choose Aid Project

Every year church women across the country express their concern for their fellow man by sewing garments and making literally thousands of health kits. These are shipped overseas to areas of acute need by Church World Service.

This year the need is greater than ever. With the tragic conditions caused by war in Vietnam, it is imperative that an all-out effort be made to alleviate this suffering.

Church Women United, therefore, has chosen as its Material Aid Projects for 1967 World Community Day the following: layettes and Asian children's garments, gift certificates which may be used for blankets, school

kits or fabrics for Vietnam, offering to be used to start a training program for the wives of the ministers of the African Independent Churches in South Africa.

The observance this year will be held Friday, Nov. 3, at St. Mark's Presbyterian Church, 240th and Pennsylvania, Lomita. The business meeting will begin at 10 a.m. Program and luncheon will follow.

There is no charge and child care will be provided. The program will feature a film, "Profiles of Promise," special music and worship. The program leaders are Mrs. Gertrude Teunis, World Community chairman, and Mrs. June Betz, Christian World Relations chairman.
